

sunshinecoastplaces .com.au

The site was originally set up to do the Moffat Beach Pilot Study in 2011 but the idea was to go on to record significant places across the Sunshine Coast

It is a project by the Friends of the Caloundra Lighthouses

This is a Google website with the domain organised through
<https://www.webcity.com.au/domain-names>
now taken over by
<https://www.dreamscapenetworks.com>

It was renewed for two years on 3rd July 2017

Google charge approx \$7.50 per month per member
currently paid by Roger Todd
or a cheaper yearly rate
There can be multiple members
