

Suggested basic outline as follows:

Grant Application

SCRC Major grants close 15th March
Applications for up to \$7,500 can seek full costs from Council
The grant will cover basic costs for the project
Some professional time will be paid for

Tasks

Photographic record
Street by street - all properties
Concentrate on areas of intact post war development

Historical information
eg Caloundra has good drainage maps from 1966 showing buildings
Aerial photos
General photos
Subdivisions

Compare current & historical information

Try to draw out the stories behind the places

Literature study
Beach houses, 50's architecture

Outcomes

Photographic record of places as they exist today

Record of surviving post war places

Information recorded on data base

Community meeting to increase public awareness

Opportunity for people to record their memories, donate photos & other information

Advance warning of greater coverage in planning scheme

Suggestions for conservation/town planning measures

Recording of lost buildings

Increase awareness and understanding of that part of the Coast's heritage
